

FC Hosts Grain Drive To Help Raise \$250K for FFA Enrichment Center Fund

Recently T.J. Morehouse (FC-Yale) asked FC to support the Iowa FFA Foundation grain drive fund to raise \$250,000 to help with the construction of the Iowa FFA Enrichment Center. The FFA enrichment center is being built on the Des Moines Area Community College (DMACC) campus near Ankeny, Iowa.

Students and Ag Ed staff, as well as industry, will be able to utilize this facility as a training center. The Iowa FFA Enrichment Center is being built to enhance learning opportunities for more than 12,000 Iowa FFA members and 245 agricultural educators. The center will facilitate hands on learning activities that will promote leadership development, personal growth and career success. The creation of the enrichment

center will enhance the FFA's mission to make a positive difference in the lives of young people by developing their potential for premier leadership, personal growth and career success through

agricultural education.

FC has been proud to help promote and support this drive.
